

# PARKING PERMIT APPLICATION

All cars parked on the L.I. campus during the school day must have a parking permit displayed in the driver's side rear window. This reduces the number of phone calls to the State Police for owner identification, aids in identifying and removing unauthorized or improperly parked vehicles, and helps us more effectively respond during snowstorms and emergencies. To receive your permit, bring this completed form to Campus Life.

**1. Circle type of permit you need. Include department/position/ext. or graduating year:**

Regular Employee \_\_\_\_\_ Contractual Employee \_\_\_\_\_ Student \_\_\_\_\_  
Department/Position/Extension Department Graduating Year

**2. Enter all 'new-to-you' vehicle information below for all cars requiring permits:**

**NEW VEHICLE 1:**

License Plate	State Issuing the Plate	Color	Make	Model

**NEW VEHICLE 2:**

License Plate	State Issuing the Plate	Color	Make	Model

**NEW VEHICLE 3:**

License Plate	State Issuing the Plate	Color	Make	Model

**3. Enter vehicle information for any previously registered vehicles you *no longer use*:**

VEHICLE MAKE/MODEL	PLATE NUMBER and State of Issue	PERMIT NUMBER

**4. Read and sign below:**

I recognize that failure to park in the appropriate designated parking areas may result in fines, towing, or immobilization of my vehicle and may also result in the revocation of my parking privileges or parking permit(s). If any of the above information changes during the school year, I recognize a permit change is required and will contact the Campus Life Office with the new information.
