STUDENT AND PARENT/GUARDIAN AGREEMENT

Lyndon Institute Career and Technical programs are designed to educate and prepare students for professional, successful, on-the-job readiness. Students will be held to a high expectation to learn and demonstrate safe, respectful and professional behaviors in the classroom, lab, on community worksites/ field placements, and with equipment and tools at all times. By signing this application, the student and family/ support team understands and agrees to the following expectations and authorizes Lyndon Institute to obtain required documentation, transcripts, attendance and discipline records from the sending high school.

- ATTENDANCE: Students are expected to attend class, labs, field placements, etc. I understand that excessive tardies/ absences may result in administrative action, probation, and/or dismissal from the program.
CELL PHONE: Students are to use cell phones during designated break times or at the direction of the program instructor. I understand that violating Lyndon Institute's cell phone procedure, may result in administrative action, probation, and/or dismissal from the program.
LANGUAGE: Students are expected to conduct themselves in a professional manner and use respectful language at all times. Inappropriate, abusive and threatening verbiage will not be tolerated. I understand that repeated use of inappropriate language may result in administrative action, probation, and/or dismissal from the program.
PROFESSIONAL ATTIRE: Students are expected to dress "industry appropriate." This will be outlined in the program syllabus for each program. I understand that not following the recommended dress code may result in administrative action, probation, and/ or dismissal from the program.
SAFETY: Ensuring a safe work and learning environment for our students and faculty is Lyndon's highest priority. I understand that exhibiting unsafe behaviors or noncompliance to safety protocol will result in immediate administrative action, probation, and/or dismissal from the program.
